

Part 10: Unit 6

Some of the following sentences contain misplaced or dangling modifiers. Others lack parallel structure. Rewrite the incorrect sentences correctly. If a sentence contains no structural errors, write a C for *correct* in the left margin.

1. While playing tennis, Sam's wrist was sprained.

2. The landlord didn't want to rent an apartment to the woman with five young children.

3. Sarah's computer suddenly froze while typing her term paper.

4. If you want to be hired for this job, not only must you work on weekends but also on some holidays.

5. My counselor advised me to take fewer classes and that I should work fewer hours.

6. The police stopped the car on the freeway that had been speeding.

7. This store sells antique furniture and glassware that is imported.
