EXERCISE 24A

---

Rewrite any sentences that lack parallel structure. If a sentence is already parallel, label it C for *correct*.

1. The man loved to cook, to read mystery novels, and traveling to remote places.

---

---

2. Ben not only has mastered the guitar but also the piano.

---

---

3. Barbara is either going to the gym or the community pool.

---

---

4. After she graduated from college, Julia's goals were finding a new job, moving to a new apartment, and learning to cook.

---

---

5. Joe both bought a new computer and a new DVD player.

---

---

6. When I left for college, my parents told me to study hard, to choose my friends wisely, and that I should phone home at least once a week.

---

---

7. We want to create a position for someone who has imagination, energy, and who is enthusiastic.

---

---
